**Absent:** Sean McDonald, Robert Schroeder,

**Also Present:** Earl LaBonte (Director), Denise Cumings (R&T Administrative Assistant)

**Pledge of Allegiance**

Motion was made to accept the minutes of January 28, 2020 meeting, second by Alexander Walczyk, motion passed

Committee discussed and reviewed tipping fees, revenue from cardboard and metal, the current staffing situation.

Discussion on the R & T Station fleet, the Freightliner Packer is out of service/will not pass inspection, will be sold on govdeals.com. Some discussion on the leaf pickup in the fall as well as the safety center and town hall dumpsters, as the Packer was the vehicle used. Town Hall and Safety Center have been given barrels. This seems to be working out. Schools went to dumpster service in 2017.

Discussion of the Peterbilt Tractor SW-201 replacement. New International Tractor set to be delivered, and SW-201 is being traded in for $25,000.00. Also the Cat Loader is up for replacement 2021.

Ray Bonney asked how the auto trucks were doing. Told committee Auto 2 had a fire, was contained quickly by the driver. Turk commented on the driver ability to minimize the amount of damage done.

Turk asked if we still short of help. R & T has 2 open driver position and 1 driver on medical.

Clark Karolian questioned why are residents on Dove Rd, Trent Rd, Thames Rd, Oak Hill why they have trash pickup if they are condominiums, also the mobile home parks? Denise and Earl are looking into.

Question was asked about having a “Shredding Day” as in the past. It was mentioned that it was very costly. Other sources of shredding are Staples and Northeast Record Retention.

Ray Bonney motioned to adjourn at 7:02PM Clark Karolian 2nd all in favor.

Next meeting, September 29, 2020 at 6:30pm.
