A Note to Hooksett Voters

November 3\textsuperscript{rd} is the general election to be held in the Cawley Middle School gymnasium located at 89 Whitehall Road. Polls are open from 6:00 am until 7:00 pm.

A great deal of planning has gone into ensuring smooth traffic flow and a safe and pleasant voting experience for all. All traffic will enter the school campus from Whitehall road and exit via Farmer road. All available parking will be utilized, front and back lots. Hooksett DPW and PD will be assisting with traffic flow in the parking lot. Please be patient, respectful and use common sense. If you have a disability placard, please ensure it is visibly displayed once on campus.

Hooksett schools require masks that cover nose and mouth be properly worn at all times while in school buildings. Hooksett election officials are adhering to this policy. Appropriate social distancing is expected of all. Please follow pre-measured and marked distancing locations on floors.

You are expected to be one of several thousand Hooksett citizens voting on Tuesday, November 3rd. Please be patient and respectful. All will have a pleasant experience if we adhere to the golden rule.

The Hooksett Board of Elections thanks you!
