Absent: Dave Elliott, Alternate

Approval of November 20, 2019 Minutes Tabled

Public Input

- None

Scheduled Appointment: Charles Nelson, Eagle Scout Project: Troop 292 Charles wishes to earn his Eagle Scout Badge by constructing Three (3) Picnic Tables to be placed at Lambert Park. He plans on having a Krispy Kream Donut Fundraiser to help with costs. He plans on the picnic tables costing about $500.00. It was suggested that he also look for donations of materials from various businesses around town. Charles was considering using pressure treated wood, but it was suggested he look at TREX material. It might cost more, but it is more durable in the long run. He turns 18 on April 17, 2020 so he is working under some time constraints. He will keep the Board posted on his progress.

Old Business: Discuss how to notify Lambert Park neighborhood that there is a Warrant Article for the pavilion. Result: It is not the towns' responsibility to notify about Warrant Articles. It is up to the townspeople to be aware of all Warrant Articles. It would have to be done by a private citizen, using private funds.

Prepare Speech for February 1st Deliberative Session: Alex Walczyk (Town Councilor) has volunteered to introduce the Warrant Article and speak to it.

Staff Reports: Parks and Recreation Department: Soccer Wall at Petersbrook Park has been completed. Concrete is 6 feet below ground level. Painting the wall is the next step.

2nd Annual Winter Carnival is on January 25, 2020. 10:00-4:00

HYAA: Lacrosse players are playing indoors. Baton is coming back in the spring. Registration for all spring sports is ongoing. HYAA has a new Facebook page and the public is invited to join. i.e. HYAA (Hooksett Youth Athletic Association)
