GRANTS: We work closely with the New Hampshire Community Development Finance Authority, CDFA, to identify and prepare funding applications, and administer projects that are suitable for Community Development Block Grant (CDBG) and Community Development Investment Program (CDIP) financial assistance. These are competitive, project specific programs that provide loan funds to job creating development projects. When successful, CRDC secures a grant from the appropriate program, loans the funds to the project/company and capitalizes or recapitalizes a small business loan fund. Additionally, CDBG can finance municipal infrastructure in support of business investment.

NEW MARKET TAX CREDITS: CRDC has partnered with Coastal Enterprises, Inc. (CEI) of Portland, Maine to package New Market Tax Credit (NMTC) projects. The NMTC program was established by the US Treasury to attract capital to historically underserved projects and communities. It provides an incentive to debt and equity investors in the form of a 39 percent federal income tax credit over a seven year period for investing capital into qualified projects in eligible targeted areas. CRDC has been selected by CEI as its sole New Hampshire partner to identify and structure suitable projects.
