**ARTICLE 2 - ZONING AMENDMENTS**

**Amendment No. 1**

Are you in favor of the adoption of Amendment No. 1, as proposed by the Hooksett Planning Board, for the Hooksett Zoning Ordinance to amend Article 28, Wireless Communications Facilities, to include the following to Section P. 2., Review Procedures for Co-location: "3. Following an application for collocation from the applicant, the state or local government will have thirty (30) days to determine whether the application complies with its requirements. The compliance verification shall be in writing and clearly and specifically delineate all missing documents or information. 4. After supplemental submission from the applicant, the state or local government will have ten (10) days to determine whether the submission complies with its incompleteness. The notice. Grounds for incompleteness are limited to those in the original notice of incompleteness. 5. The applicant must file a notice in writing stating that the review period has expired (accounting for any tolling) and that the application has been deemed granted." The purpose of Amendment No. 1 is to include regulations from a FCC order, dated May 18, 2015, regarding new telecommunication shot clocks for co-location.
