The Parks and Recreation Division’s main goal is to provide recreational and leisure activities for the community at large. We also put forth a major part of our efforts towards maintaining all of the town-owned properties’ landscaping needs.

These efforts are accomplished by working with everyone in town. We are grateful for all of the support we receive.

Our Division is very proud of the fact that we offer the Fun in the Sun Summer Program. This is a summer camp that runs Monday through Friday for children in Kindergarten through 5th grade. The program’s employees are counselors who are in the education field.

**Recreational Facilities**
The Town has three tennis courts and numerous soccer, baseball, softball, and football fields. These are mainly located at Donati Park, and Petersbrook Fields.

- Dog Park – Merrimack Street (next to Hooksett District Court)
- Donati Fields – Main Street
- Frasier Park - K Ave
• Head’s Pond Trail – Route 3 across from Green’s Marine  
• Kid Kaboose Playground – Main Street  
• Lambert’s Park – Merrimack Street  
• Petersbrook Fields – Industrial Park Drive  
• Skateboard Park – Legends Drive  
• Tri Town Field – West River Road (Route 3A)

**Fields**
Our fields are closed during the month of July so that we can get them ready for the fall sport season. If anyone is looking to use the fields they must fill out a Field Use Permit. This permit can be picked up at either one of our locations.

**RECYCLING & TRANSFER DEPARTMENT**
Location: 210 West River Road  
Telephone: (603) 669-5198  
Hours: 7:00 am – 3:30 pm Monday – Friday  
4:00 am – 1:00 pm Saturday  
7:00 am – 7:00 pm Wednesday (end of May – end of September)

The facility accepts most household items for drop off. We have user fees and restrictions that apply to some materials such as construction and demolition materials, appliances, furniture, electronics, carpet and paint.

The Town has a volunteer recycling program. Recycling can be brought to the facility and is free. We encourage residents to recycle. Every item recycled saves the Town money that is spent on disposal fees. The Town also has a recycling trailer that is placed at the following locations on the specified days: The Cawley School on Mondays 7:30am-3:00pm, the Memorial School on Tuesdays 7:30am-3:00pm and the Hooksett Library on Thursdays 7:30am – 3:00pm. The trailer will not be out on holidays.

This department is also responsible for the collection of household trash and recycling at the curb. Please call the facility to find out when your scheduled collection day is. Trash must be out by 7:00am.

You can reach the department by calling 669-5198. Additional information regarding the facility, collection, recycling and user fees can be found online at the Hooksett website, under the Recycling and Transfer Department @ www.hooksett.org.

**SEWER DEPARTMENT**

Fax: (603) 485-4306

Plant: 7:00 am – 3:30 pm M-F

Operating since 1970, the wastewater treatment originally serviced less than a 1000 residential and commercial customers. Currently, the wastewater treatment plant services roughly 3500 residential and commercial customers in Hooksett. The plant processes up to 880,000 gallons of waste daily, and with the current expansion, will raise that number to 1.2 million. Upgrades to the plant include adding a second clarifier,
installing state of the art monitoring systems, and adding more efficient operating systems that will significantly cut down on the plant’s water usage. The wastewater plant also has plans for a composting operation that will cut down significantly on outside hauling of waste that would also produce a viable resource for residents and businesses to use.

Any new construction, whether commercial or residential that lies within 100 feet of a main sewer line must connect to the sewer. Those interested in building residential or commercial units with sewer hook-ups must come before the Sewer Commission Board to obtain capacity for their project. Meetings are held the 1st and 3rd Tuesdays of the month at 12:00 PM, and are open to the public.

Hooksett is serviced by three different water companies, Hooksett Village, Central Hooksett and Manchester Water. The water companies are separate from the Wastewater Treatment Plant, and residents receive separate bills for water and sewer. Payments can be made at the office window during normal business hours. Hooksett residents are also able to dump their Recreational Vehicles at the plant for no charge. *

*Dumping is not being permitted until 2010 due to construction.*
