

RECYCLING AND TRANSFER DEPARTMENT
2019 TRASH AND RECYCLING HOLIDAY COLLECTION

When a holiday interferes with the day of a scheduled collection, the Department will work to collect both trash and recycling on the next scheduled work day, along with the regularly scheduled collection. (Example: If a holiday falls on Monday, both Monday and Tuesday's trash and recycling will be collected on Tuesday.) We will try not to delay any services. Please keep in mind that trash and recycling must be placed at the curb by 7:00am because of route adjustments made to provide the service. There may be a considerable difference in time between the pickup of recycling and the pickup of trash. Please call the facility if you have any questions. The Recycling and Transfer Department is closed on the following holidays:
